the horse-gram being sold at famine rates during the next three months.

It is therefore desirable to s[redacted] three month's supply for those m[redacted] not take the supply from the Contractor as new tenders will be called up in next February.

For similar reasons it is also very difficult to procure fodder.

Requests, therefore, that an advance of Rs 1500 at Rs 3 00 for each troop may be sanctioned for purchase of gram and fodder to stock them for next three months supply. The amount will be recouped by monthly instalments as recovered.
